CONSENT/SIGNATURE SHEET

PI/SPONSOR

I agree to sponsor _____ (Name of Minor) and, by my signature below, agree that:

- I have read, understand and will adhere to the UK “Minors in Research Laboratories or Animal Facilities” Policy (http://ehs.uky.edu/docs/pdf/ohs_minors_in_labs_0001.pdf). An EH&S approval must be granted before the minor may participate.
- I have completed this Minor’s Hazard Specific Safety Training by doing the following:
 - Personal protective equipment appropriate for, and specific to, laboratory hazards will be provided.
 - This minor will be supervised at all times while in the laboratory and never left alone.
 - The minor’s hours of work will comply with Federal Regulation 29 CFR 570.35.
 - My laboratory is in full compliance with all applicable University of Kentucky safety programs and regulations.

PARENT/LEGAL GUARDIAN

- I have read and understand this policy and the risk assessment section explaining the hazards associated with my child’s research project.
- I agree and understand that my child’s research project may be suspended at any time, at the discretion of the University of Kentucky and its officers, agents, and employees, if the safety of my child, the employees and other volunteers of the University of Kentucky become a concern.
