

# Recommended Secondary Containment Devices

rev. 2017.0601

The Department of Biological Safety has compiled a list of recommended devices for secondary containment when transporting biological agents outside of the laboratory. Please click on the pictures below for more information. Feel free to contact one of our specialists for further consultation on appropriate containment for transporting biological agents at 859-257-1073, 859-323-5728 or by email at [biosafety@uky.edu](mailto:biosafety@uky.edu).

505 Oldham Court  
Lexington, KY 40502-0473  
Phone: (859) 257-1049  
Fax: (859) 323-3838  
Email: [biosafety@uky.edu](mailto:biosafety@uky.edu)
